The VIP gives practical exposure to various careers of their choice to the students. For example, if a student selects a VIP in **architecture**, he / she shall get to perform all the tasks that an architect does and make one building. If a student selects **Film Making**, then he / she will perform all the steps involved in Film Making. We have 18 career options currently.

Get a detailed report at the end of every Virtual Internship

How do you find the career you were made for?

01

Discover as many career options as possible.

With VIP-Explore you can explore 15 different careers all at once.

02

Gain an in-depth understanding of every career.

Customised videos, simulated tasks, and instructions from industry experts cover the A-to-Z of every career.

03

Choose the right career based on your interests.

A Career Fitment Report lets you evaluate which careers you are best suited for.
